

to read as Senator Preister's amendment would have it. Would I support it? Absolutely. Would I return it to Select File? No. It could have been done on General or Select. It can be done on another bill. There is no reason not to pass this bill today. Everyone has had an opportunity to address their concerns, much of the concern, much of the opposition is from people who just don't support gambling. That is where the honesty and integrity ought to come out and surface today. I would urge you to not return the bill to Select File and that we go ahead and pass it, see if the votes are here or not.

SPEAKER BAACK: Thank you, Senator Hall. Senator Will.

SENATOR WILL: Question.

SPEAKER BAACK: The question has been called. Do I see five hands? I do. We will now vote on ceasing debate. All those in favor vote aye, opposed vote no. Record, Mr. Clerk.

CLERK: 27 ayes, 3 nays to cease debate, Mr. President.

SPEAKER BAACK: Debate has ceased. I will go to Senator Preister to close on your motion to return.

SENATOR PREISTER: Thank you, Honorable President, friends all. I would just like to thank Senator Hall for pointing out my error in not thinking clearly through the complications that might enter into what could happen if this amendment were put in. I would certainly say that I rushed through this and, thus, there was an error. I hope that we don't do the same thing in rushing through this legislation and having errors still remain. I would be more than willing to put a period after the word tickets and delete the rest of the amendment. That would answer the question of being able to do this. In the event that this motion to return to Select File does fail, I would hope that these amendments could be put into this legislation and that we could look out for the concerns of those people who are likely to be affected in very negative ways by what we are about to do. Thank you.

SPEAKER BAACK: Thank you, Senator Preister. You've heard the closing on the motion to return to Select File. We will now vote on that motion. All those in favor vote aye, opposed vote no. We are voting on the motion to return. Have you all voted? Record, Mr. Clerk.
